

Hrvatsko planinarsko društvo "Mosor" i ove godine u sklopu obilježavanja Svjetskog dana zaštite okoliša i Dana zaštite planinske prirode RH organizira **Mosor Film Festival (MosFF) u subotu 03.06.2017.**

PRIJAVNICA

Mosor Film Festival se održava u samom srcu dalmatinske najposjećenije planine, na prostranoj livadi Ljuvač tik pod planinarskim domom „Umberto Girometta“. Ova zelena oaza je idealno mjesto za odmor duše i tijela čak i tijekom vrućih ljetnih mjeseci. Smještena je na nadmorskoj visini od 850 m i okružena gustom šumom crnog dalmatinskog bora, dok preko livade teče potočić Ljuvač koji se vodom napaja iz istoimenog izvora, pružajući dašak osvježanja brojnim posjetiteljima. Savršen kontrast okolnom ljutom kršu Mosora.

U planinarskom domu se zahvaljujući našim vrijednim domarima uvijek može po povoljnim cijenama nešto ukusno za objedovati, a možete dobiti i piće. Osim toga, u planinarskom domu

se može i prenoćiti, pa se ne morate brinuti o kasnom noćnom silaskom s planine.

Za one pustolovnijeg duha, nudimo mogućnost noćenja u šatorima na livadi. Šatore naravno morate donijeti sa sobom i postaviti ih na za to predviđena mjesta. Ali u tom slučaju, kako su noćne temperature u planini čak i tijekom ljetnih mjeseci poprilično svježije, preporučamo da ponesete vreće za spavanje, kao i podloške za iste.

Dodite i uživajte!

Ulaz slobodan za sve zainteresirane.

In the occasion of the World Environment Day and the Croatian Day of mountain environment protection the Croatian mountaineering club „Mosor“ from Split is organising 4th Mosor Film Festival.

The festival will feature the films that promote the beauties and the lushness of the mountain nature and culture, hiking, caving, rock climbing and extreme sports made by Croatian and international authors.

Mosor Film Festival will be held in the very heart of the most visited Dalmatian mountain, on the spacious meadow called Ljuvač just off the mountain lodge "Umberto Girometta". This green oasis is the perfect place to rest your body and soul even in the hot summer months. It is situated at the altitude of 850 m and surrounded by thick forests of Mediterranean pine tree, with a small brook flowing across it. The brook is supplied by water from the nearby source, and provides a breath of refreshment to all visitors. The place stands in perfect contrast to the surrounding sheer karst of the Mosor landscape.

Thanks to our hardworking and cheerful lodge keepers the mountain lodge always offers some tasteful dishes at bargain prices, and you can also get a drink. Besides that, you can also spend the night at the lodge, so there's no need to worry about late night descent from the mountain.

For the more adventurous ones, there's the possibility of spending the night in a tent on the meadow. The tents are not provided and you should bring one yourself and pitch it in the allocated places. Since the night temperatures in the mountains tend to get quite low even in the summer months, we recommend bringing a sleeping bag and a mat to put under it.

Come, take in the atmosphere and enjoy yourselves.

The admission is free.
